SPECIFICATIONS

Our stables are a generous 3.85m x 3.85m x 2.45h stable with a 4.3m day yard (assembled). Solution Stables will give your horse room to feel at home no matter what their size.

Our stables are constructed using 50x50 RHS Galvanized Steel for ALL frames including Yard Panels (unlike some competitors). All our Yard Panels come with contained lug and pin assembly so you can't lose any parts.

As a standard our Basic Stable comprises of 17mm Form Ply bottoms and Galvanized Mesh Tops and Gal. Custom Orb Roof.

All stables come with Rug Racks as standard features. Door Yokes

Door Options Available eg.

Option of No Roof (Internal Fitout) is available on all Combinations

Our stables are a truly transportable product and can easily be assembled by two capable people in just 30 minutes!

They are all Australian designed and Manufactured and have a great flat pack design that makes for easy transport.
